DIRTY DEE IN DP

Dear 40Something,

I am loving all the DP you have been featuring lately. Your magazine has really turned up the raunchiness in the last year or two. I remember in the past it was rare to see three-ways, DPs and even anal in your magazine. But now I get to see all that in just about every issue. I especially love seeing busty blondes like Marina, Lana and, most recently, Dee getting double stuffed in their pussies and asses. Your sexy, mature models just keep getting nastier and nastier, and I mean that in the best way possible.

Dee is such a super slut that I knew I would see her getting DP'd in your magazine. Her layout in your SP332 issue was a hot one! She has a great rack and great cock-sucking skills. In the bottom photo on page 45, she's holding her own despite the fact that the cock she's sucking is about the size of her arm. The photo on page 49 was excellent. It's deep anal action right in your face! I hope those two younger guys know how lucky they are to hook up with Dee. She's one of the hottest and horniest MILFs you'll ever find.

And just when I thought it couldn't get any hotter, I see her centerfold photo. That is the perfect example of what a DP photo should look like. We

can see one big cock clearly in her pussy and the other sizable one buried deep in her asshole, and there's plenty of Dee's taint between the cocks. I also enjoyed the other DP photos of her standing and in cowgirl position. I hope that after those two guys came on her asshole that she scooped up their cum with her finger and sucked it up. Keep up the good work!—R.G., Allentown, Pennsylvania

DITCH THE DP

Dear 40Something,

All the DP and cuckold stuff you've been running lately has been getting old. It was interesting at first when it was new, but now it's overdone. I realize that you have to keep up with stiff competition and that means showing the most extreme sex acts you can in your magazine. But not everyone wants to see that all the time. I am perfectly content to see a sexy MILF paired with just one penis in a wellshot pictorial with a variety of angles and poses. There is more to sex and sexiness than extra penises. I actually do not like multiple penises in the pictorials as I find them distracting. Anyway, I may be in the minority here, but that's just how I feel. The last hardcore pictorial that I really enjoyed was Lacy from your SP326 issue. She

looked very sexy and sensual. I hope you will run more like that soon. And on the bright side, I do enjoy your solo pictorials very much, which is why I continue to buy your magazine.—A.F., Montclair, New Jersey

WE'D ALL LOVE TO CREAMPIE PAYTON

Dear 40Something,

I think Payton is very sexy and I would love to fill her pussy and her asshole with cum. I really had to think about that, because she has such a pretty face too. And it would look even more sexy with cum on it. But let's be

real; if we're fucking I don't want to pull my cock out of a nice, warm, wet tunnel. Especially if my cock were in either of her holes, which both look tight. I was first drawn to her because like I said, she has a pretty face. Her lingerie also turned me on. I like it when women wear see-through nighties and stockings. Her stockings look nice on her long legs. My cock just kept getting harder the more I looked at her, and the photo of her spreading her asscheeks and showing off her starfish really got me going. Then I read that some lucky guy got to fuck her ass in your studio, and all I could think about was sticking my dick in her backdoor pucker while she moans and cums. I can't wait to see that anal pictorial, by the way. I didn't think I could be anymore into Payton until I saw the final photo of her pictorial where she is spreading her pussy. You see, there's something you should know about me. I really, really love to eat pussy. And because of that, I'm a sucker for a good spread pussy shot. And Payton's pussy is exactly the kind I like. Dark outer labia framing a pink inside with a tiny slit. Like a blooming flower. I would give her the tongue-fucking of her life, and then ram my rod home till she's screaming and creaming. Thank you for featuring such a beauty! Can't wait to see more of her.-S.Z., Long Island, New York

GET READY TO BE TAKEN FOR A RYDE

Dear 40Something,

I hope that newcomer Ciara Ryder has a long and fruitful career in porn. I will definitely be watching her. She's already coming into the industry with the right attitude, which is important if one expects to have any longevity with their porn career. Besides that, I must admit that she is truly stunning. Ciara is very feminine and inviting, like you could approach her on the street if you met her. And from her interview she sounds like she has the personality to match her looks. Because I don't care how hot a woman is, if she is stuck up or mean I want nothing to do with her. Ciara has an inner beauty that just shines through.

As much as her personality seems appealing, I have to admit that I like Ciara's big tits and curvy body. She seems confident in her skin and the curves suit her. She looks like she can take a pounding and is a giver in the bedroom. I guess we'll just have to wait and see, huh? She's a woman I would like to get to know more, so please give us more of Ciara!-H.D., Naperville, Illinois Dear H.D.,

You won't have to wait long. Ciara has an interracial pictorial starting on page 37, and you can see her in the movie BBC Infidelity. You can also see another hardcore video of her on 40Somethingmag.com.

Ciara likes to make men feel good. That shouldn't be too hard.

GRISHA'S A COCK-HUNGRY LATINA

Dear 40 Something,

I can't wait to see Grisha in hardcore action in both your magazine and on video. She sounds like a wild one, and I want to see if she fucks as dirty as she talks. I also want to hear her talk dirty in Spanish. I don't know what the fuck Latinas are saying in Spanish, but it sounds hot as fuck! If you couldn't tell, I love Latina MILFs. They age like fine wine and they're spicy in the bedroom. They come across as conservative at first but they are some of the biggest freaks you'll meet. My partner and I sometimes to go to swingers parties, and I'm always on the lookout for hot Latinas. One time I was in a gangbang with four other guys and this hot Cuban chick. She was the most cumhungry woman I ever met. She couldn't get enough of it and sucked everyone dry. In fact, she kind of reminds me of Zoraya. I'm telling you, these Latina women are wild!

Grisha says her fantasy is to be held down and fucked by several men who cum inside her. You heard the woman—make it happen! With that body and her insane sex drive she could certainly handle several cocks. And judging by the way she takes that giant black dong, she should have no trouble taking on your big-dicked studs. What I really want to know is if she can take a cock like that in her ass! Either way,

Taking this giant dong is one of the tamer things Grisha does.

NOW ANNA'S PRAYING FOR A SPRAYING

Dear 40Something,

Sexy Anna had one of the best interviews I've read in some time. I only wish it were longer and filled with more details! I found myself wanting to know more about this kinky blonde. It's my favorite when one of your models was formerly a prude and then gets turned out into a total fuck slut. I go to church every now and then when my wife drags me, and during the boring sermons I can't help but wonder which of the prim and proper women there are sluts or sluts-in-the-making.

I'm glad Anna finally saw the light. The world would be a sadder place if she didn't share her juicy rack and ass. Her assets should not be covered up. I can just imagine how much her tits bounce as she gets fucked. And I'm dying to see that ass jiggle as she gets pounded in doggie-style. I don't know what makes me think this, but Anna just looks like she's a screamer. I've never been with a woman with a clit piercing before, but I bet it's nice to suck on. And I'm sure she has plenty of orgasms rubbing it while a cock slides in and out of her plush pussy.

Anna also mentioned that she was into BDSM at the end of her interview. That's not something we see a lot of in your magazine and would be good to spice things up. Of course, Anna would be the perfect candidate. It would be hot to see her restrained and spanked. Anyway, I've let my mind wander enough. Time to open up to Anna's interview and take care of business!—F.C., Belen, New Mexico

Anna started in the church and ended up in our porn studio.

One reader likes Constance's natural looks and natural slutiness.

CONSTANCE WILL GIVE YOU A CHANCE

Dear 40 Something,

Fifty-two-year-old Constance is exactly the kind of woman I like to see in your magazines. Her mom haircut and natural body with slightly saggy tits are preferable over the porn star treatment with lots of make-up, plastic surgery and big, fake tits. I was mesmerized by Constance's green eyes and her pretty smile. I can't wait to see this MILF-next-door getting dicked down by a hung stud. She's definitely the kind of woman who needs a BBC in her life. I'd also love to see her with two guys or in a gang-bang with those pretty green eyes looking up at us while the rest of her face is covered in multiple loads of cum. Please keep featuring real MILFs like Constance who are the kind of women you could meet at the grocery store, not the plastic porn stars who'd never give guys like me the time of day.-Anonymous

TABATHA'S CUMBACK

Tabatha goes straight for interracial anal in her porn cumback.

in hardcore. I only wish I had been a reader of SCORE in the '90s and '00s so I could have seen her when she was a model back then. I'm sure she's gotten even better with time. My dick got so stiff seeing her suck that black stud's balls and having his big cock resting on her face. I love seeing busty and/or curvy blondes with black cocks.

At first I thought it was just going to be a regular interracial scene with vaginal sex, so I was pleasantly surprised to see her take that BBC in her ass. The photo on page 41 is splendid. I love it when we can see the cock buried in a MILF's ass while her pink pussy is spread wide open. And that anal creampie with Tabatha's gaping butthole made my day! Please bring her back for more anal and group-sex action! And shoot her with another sexy, busty MILF. Maybe fellow former big-boob star Betty Boobs? -Orangeburg, South Carolina

BUSH COUGARS

Dear 40 Something,

Please show more MILFs with bush and big tits like Gia Francesca and Elektra. I find a mature woman with a thick bush so incredibly arousing, and the combination of the pubes with big tits makes my dick so hard. I went on

your website and looked at all of Gia's and Elektra's posts. Man, they are some sexy women. I would love to stick my cock between their tits and bury my face in their bushes. There is a photo of Gia riding a cock and sucking on her own tit that made my cock erupt with hot cum. I love how her bush completely engulfs any cock that she fucks. It would be amazing to feel those curlicues tickling my shaft as I drove it into her wet, warm cunt. By the end of her fuck sessions, her pubes are drenched with all her sex juices and her face and tits are covered in cum. That's just so fucking hot and dirty.

I really enjoyed looking at Elektra's posts, too. You have some old photos of her from 30 Something magazine, and she has definitely gotten better with age. Her tits are bigger, her bush is fullblown and she even looks thinner now (not that I mind a woman with some meat on her bones). I love Elektra's anything-goes attitude about sex, and the way she takes a fat cock in her asshole. One of the best photos of her is one where she has a cock nestled between her tits and a glob of cum on her chin. This stuff is gold! If she is still shooting, you should definitely bring her in for some raunchy fucking action. I would love to see her eating Gia's hairy pussy! And it would be the greatest thing ever to see them both sharing a cock and a load of cum. Hey, a guy can dream, right?-J.P., via email

and cock.

READER MILF ENCOUNTER

THE MYSTERY MILF

Dear 40 Something,

I wanted to share a hot experience I had recently, as I think your readers would appreciate it. I was at my local bar enjoying a beer after a long day of work. I'm a regular at this bar and know all the employees and locals. It's a small town and, in all honesty, kind of a shitty bar, so we don't get too many newcomers. So when a complete stranger walks in, one who happens to be a drop-dead gorgeous brunette of about 45, I fuckin' notice. I'm 35, by the way. Not really a cub but I still appreciate a fine cougar. So I checked her out and subdued the semi erection in my pants. Don't need to be getting a hard-on in front of my buddies.

Now this woman looks out of place here, and not just because she's new. She was wearing a short, tight, black dress and high heels. Her straight, dark hair hung down to her waist. Her big tits were pushed up high with lots of cleavage. She looked like she should be grabbing a martini at a fancy hotel bar, not hanging around this watering hole. To my surprise, she sat down right next to me despite a whole row of empty seats. Ordered a vodka soda. I said I can tell she's not from around here. She just smiled. We chit chatted a bit. She didn't seem to want to talk much about her personal life, and pretty soon her hand was on my thigh, inching closer to my cock. This time around I wasn't as good at getting my hard-on to cool down. She asked if I want to get out of here, and I followed her out. The whole time I can't fuckin' believe this is happening. Seriously, shit like this never happens to me. I'm lucky to get a second date most of the time.

I figure we'd go to a hotel room, but as soon as we got in her SUV she unzipped my pants and started sucking. Well okay! It was hands down the best blowjob I've ever gotten. She deep-throated me like no woman ever has before and tenderly caressed my balls, sending shivers up my spine. And just when I'd thought it couldn't get any better, she told me to get in the backseat. She started to ride me, but like a real

pro, switching from hard and fast to slow and deep. I could feel the years of experience in the way she moved her hips. It took everything in me to now blow, and she could tell.

"Don't worry," she said. "You won't have to hold back much longer. I know exactly where I want you to blow." The whole time I'd been admiring her body. You could tell she took care of herself. She was tight and toned from head to toe. Tiniest waist I'd ever seen. If she had kids, you'd never be able to guess by her body. I'd be happy to blow my load anywhere on this beautiful woman. But again, she surprised me.

She raised her hips up and pointed my cock towards her ass and slowly started to make her way down. As she inched her asshole down her shaft she told me I had to hold out long enough so that she could get one more orgasm in, then I was free to blow. Finally, I was in balls-deep. I let her pick the pace, which was slow at first, then she worked her way up to fast drilling, all the while she was rubbing her clit. I felt the orgasm run through her, and my cock sure felt it when her asshole clenched on my shaft. And that was it, I couldn't hold back any longer and blew my load.

The mystery MILF gave me some tissues to clean up and took care of herself. I asked if she wanted to exchange numbers.

"I think it's best if we left it at this." I got out of her car, not knowing her name or where she was from, and went back inside the bar for another beer.-G.D., Giddings, Texas

Tylo Duran looks great and fucks even better. She was sent our way by another tight-bodied MILF, Raquel Sultra. "She felt I would be good, so I submitted pictures." Good is an understatement. Tylo rocked our world with her top-class body and expert sucking and fucking skills.

Tylo has sex four times a week and masturbates too. She's not a swinger. She says that giving and receiving oral are what satisfy her the best. She's never had sex with a muchyounger guy, but after her romp in our studio, she's reconsidering it. "Once you have sex on-camera, you start to open up to new things. I was never that into younger guys, but now I'm curious. They can definitely be sexy. And if they can last longer and satisfy my needs, why not give them a chance?"

LUCKY STARR

INTERVIEW BY JOSE LEYVA

In this interview, 45-year-old Asian cougar Lucky Starr talks about many unusual things. Some of them will probably catch you off guard.

She tells us where she's found most of her boyfriends (you'll never guess).

She also tells us, "I like to sing Karaoke.

I was Miss Porn Star Karaoke for the longest time."

She likes musicals. She's an extrovert, although she says, "When you first meet me, you don't think I am. I'm shy until you get to know me."

And when you get to know her...well, she'll eat your ass. And she'll enjoy it, too.

Because Lucky only does things she enjoys.

And that's another thing about this rather off-beat interview: Lucky talks all about eating men's assholes.

Are you man enough for Lucky Starr?

It's because he's a Scorpio.

40SOMETHING: Who was your character? **LUCKY:** I had to be this teacher, except I used to teach Xander when he was a kid. And now he's in college and I'm a college professor. We run into each other and the feelings start coming back, but now he's older, so we pick up where we left off and have this awesome love affair. My boyfriend was played by Evan Stone. We never really wind up together but we do have hot sex one more time.

The 'Something Interview

4050METHING: What would be your ideal character to play in a porno? **LUCKY:** I'd probably want to be a superhero. I don't know which superhero. It would be nice to do Superwoman but she's not Asian. I wish they would make her Asian. But I think being in porn is kind of like being a superhero. I think I would definitely embody that. Because we go from Clark Kent mode to Superman. Diana Prince to Wonderwoman. When I'm not being Lucky I lead a completely, totally normal life.

4050METHING: What is your regular life like?

LUCKY: I like to hang out with my girl-friends. We like to go see movies. We like to go eat dumplings. We like to go to Disneyland and clubs. And we like to hula dance.

4050METHING: You said you take hula dance classes, right?

LUCKY: Tahitian and hula dance classes. There's a difference. People don't think there's a difference, but there is. Hula is more with the hands and telling a story. Tahitian is all about the hips. It's more spiritual with hula, and Tahitian is when you want to turn up the heat. **40SOMETHING:** What got you into that? **LUCKY:** I went to a luau once back in '96, and I was just like, I want to learn that. But I was living in Chicago at the time and there was like one school for hula. And I went to the adult class, and I hate to say this, but it was myself and white women in their 70s. I was like, I don't feel like I belong here. Then I moved to Los Angeles and all of a sudden I stumbled upon this Aloha festival in my town where I live. And these girls are everything. These girls are my life. I always tell people without these girls I would be dead or in jail. When I tell them that, they're like, "That's a lot of pressure to put on us." So they try to keep me grounded. They are my sup-

I just like
men more."

port group. They know what I do and they don't judge me for it at all. **4050METHING:** Do they ever ask you questions about the sex and the guys? **LUCKY:** They never do. Everything I do is kind of don't ask, don't tell. But recently after one drunken night at a club and eating Taco Bell in a parking lot they started asking sex questions. **4050METHING:** What kind of sex questions did they ask you?

LUCKY: They wanted to know about squirting. How can they do it? Is it an orgasm? They were asking about penis size. They were asking about everything. So I said if you guys have any questions don't be afraid to ask me. Because I'll know the answer. And if you and your man want to try something and you get off on it and it's not hurting anyone just knock yourself out. **4050METHING:** What is the most-asked question you get?

LUCKY: I wouldn't say there's a most-asked question, but to a lot of people, like my civilian friends, when I tell them I'm in porn, it's like we're doctors. They'll say, "I have this problem." Some people it's an erection thing. Another one couldn't get off when guys go down on her. It's various prob-

lems. One guy used to be able to suck his own dick when he was a teenager. When he got older, he couldn't suck his own dick. But he wanted that sensation of sucking his own dick, but he couldn't do it. So when he was in a three-way with another guy and another girl, he saw the guy's penis and it looked like his. And he wanted to suck it because it looked like his. He doesn't call himself gay, but he wanted that sensation, that joy of sucking his own dick. To some people they're like, oh, that dude's gay. But there are two things that make you gay. Jerking off and thinking about another dude and falling in love with another guy. Other than that, you're just slutty.

40SOMETHING: That's a good way of putting it.

LUCKY: I like women. I like having sex with them. But would I pick out curtains and have a same-sex marriage with one? No. I like women. I just like men more.

40SOMETHING: So you like being slutty. **LUCKY:** Yes, I like being slutty. **40SOMETHING:** So how did you find your way into porn?

LUCKY: I was waiting tables and I went

"This is my first black guy, and he has the biggest cock I've ever been with!"

Ciara is just starting her porn journey, and she's already taking on her first big, black cock. If you read her interview in our last issue, SP332, you might remember that Ciara is all about positive vibes and new experiences. Sucking and fucking a hung black stud is a positive and new experience for Ciara. This gal walks the walk!

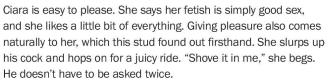

In addition to being her first interracial fuck, this was also Ciara's first time having sex on-camera. In this scene (which you can see in *BBC Infidelity*), Ciara's hubby is away and sends his employee to drop some papers off at home. Hubby must've forgotten the first rule of having a hot, busty wife: never leave her alone with a younger guy. Of course, Ciara wastes no time getting this BBC out.

"People think highly of me and know that I am a nice, loving, decent, respectful lady. But for some reason they think porn is only for bad people. Sex is a natural thing that most adults do. I won't be this young forever so might as well do this while I can." In our opinion, Ciara will never be too old to fuck and get covered in cum! She's only just started, and we know many great loads await her.

"A cock in my pussy and a cock in my ass is a regular Friday night for me."

Were we suprised that Ashton Blake did DP for her second scene in our studio? Not at all. We would've been more surprised if she hadn't done DP. And that's because she's a self-described hoochie who loves nothing more than a good, hard fuck. She's a swinger. She loves group sex and anal. Now, more than ever, DP is on the table for our MILFs. "All my friends and I love DP. We go out to brunch and talk about the hot DP we got the night before."

In this scene, Ashton texts Johnny and Tyler and tells them she wants two guys at the same time. When they arrive, Ashton sits between them and goes right for their crotches. "I need some young, hard cock," she says as one guy gropes her tits and the other fingers her pussy. She takes out their cocks and strokes them. Now the hard part: picking which cock she should suck first. She downs one, then comes back up and swallows the other.

First the guys take turns drilling Ashton's pussy. Then they fuck her ass. Ashton needs to make sure her holes are fully relaxed if she's going to do double penetration. For the main event, Ashton gets DP'd in a variety of positions. You can tell she's done this before, and she'll do it again. "I love being double stuffed," Ashton said. The guys love double stuffing her. That's why they blow their loads on her ass. See it in DP MILFs 2.

"I very often initiate sex. Particularly if I have a man I want to fuck in front of my husband."

April is a geek who likes video games and sci-fi movies. She also geeks out on JMac's cock, swallowing it and taking it deep in her pussy, which is not an easy feat for a petite woman like April. She says she likes respectful men who know what they want. JMac knows that he wants her body and pussy, and he respects April by giving her multiple orgasms. "I really enjoy a cock to give me long strokes to my pussy. And the bigger it is, the better. I want to feel it deep inside."

"I like to ride a lot. I like to grind and I like the action of sliding up and down and being in control of that. And I like doggie because who doesn't like doggie? It's comfortable, it's fun, you get to move around a lot. It's freeing. I think it's more of a naughty feeling to do doggie. I also like my body to be moved around, to be picked up." She likes to be manhandled, and JMac does that here, fucking her in the leglock position and then turning her upside-down.

"I'm in an open marriage and my hubby loves watching me have sex with men. I get very turned on by the experience. I think I perform better when I am being watched." We can't speak to how April performs in private, but she was hot and horny in this scene. She knew you'd be watching her, so she ends the scene by turning up the heat one last time and fingering cum out of her just-fucked pussy. Make April happy and check out this scene in the movie Old & Boned 2.

to work one day and looked at the schedule. There was a blank space next to my name. I'm notorious for getting into trouble for something stupid. I was like, am I suspended again? What did I do? They said we'd talk about it after the shift. I couldn't concentrate. But basically I was laid off, because that's when the recession hit. So you're a waitress and it's crowded, and then all of a sudden it's less and less people coming in. Two people were on the chopping block, and unfortunately I was one of them. I didn't know what to do with myself. I went through this depression. One day I was with fiancé number four-I've had five. And this light bulb went off over my head, because he and I watched porn all the time. All the time. We had our favorite DVDs to put in, our favorite scenes to watch. I was already in LA, so I thought why don't I just give it a shot. At the time he was like, that would be really hot. But he was one of those types of people that would want to watch me have sex with other men and get all hot bothered and then afterwards we would fight about it. And this didn't just happen once. It happened a lot. We used to go on swingers websites and then go to Vegas and line guys up to come over and fuck me while he would film it. At the time he was all hot and bothered, and then we would get home and fight about it. It was really crazy. So needless to say, after I went in, he and I started arguing and that was it. There was no turning back. I was like, I'm already in too deep, so sorry to break it to you. Ironically at one of the last awards shows he was bartending there. We caught up and I had to walk away. It was a ridiculous relationship for four years but at least I got to drink for free all night.

4050METHING: You do a lot of extra work in movies and TV right?

LUCKY: Yes, I do a lot of extra work. I hate having a day where I do nothing. Those are fine every once in a while, but I do extra work on porn sets, on mainstream sets. I'll do anything. If someone called me up and said, "Hey, eat my ass," I'll do it.

4050METHING: What do you like to do when you're not working?

LUCKY: When I'm not working I like to sing karaoke. I was Miss Porn Star

Karaoke for the longest time. Unfortunately the bar it was held at closed down. But that was my place. I was surrounded by friends. I used to get rip-roaring drunk and sing my heart out. I don't even remember singing half the time. But I was always surrounded by friends so I knew if I was in any bind they could get me out of it.

40SOMETHING: What's your favorite karaoke song?

LUCKY: I like to do "Proud Mary", but the Ike and Tina Turner version with choreography. The whole shtick. Other than that I like to sing Frozen's "Let It Go." A lot of show tunes. I dig musicals. **4050METHING:** So you're definitely an extrovert personality.

LUCKY: I am, but when you first meet me, you don't think I am. My girlfriends who I hang out with now used to put on performances. And I called myself silent stalker. I would put on sunglasses and a hat and watch their show and not tell them I was there. I'm shy until you get to know me.

40SOMETHING: Do you have any fetishes or fantasies?

LUCKY: One of my fantasies is to have sex on a big stage. There doesn't have to

be an audience, but I want to do it in the middle of the stage like a performance. As for fetishes, I like to eat ass. It's kind of my thing. And guys either love it or hate it. I'll go further and stick a finger or two up there or my whole hand. You'll be amazed what guys ask for. I'm a sexual chameleon.

40SOMETHING: Do guys ask for that?

LUCKY: It's one of those things where you don't know. A lot of guys can get weird about it. So you can be down there sucking and then you lick around the balls like a figure eight. Then you go for the taint. If he tilts his hips forward, he's game. If he doesn't do anything, he's not exactly sure. Oh, that's another thing I told my girlfriend. I was giving her advice about anal sex and eating ass. She said she didn't know if her guy would like it. I was like, just try it. If he tries it and doesn't like it, that's one thing. But if he hasn't tried it, you never know. He could like it. You could like anal sex. I tried it. I don't like it.

40SOMETHING: What do you like having done to you?

LUCKY: I like having my pussy eaten to the point of orgasm. I masturbate a lot and it takes me a while to get to one, so

I feel guilty when the guy's head is about to snap off and he's still going. After a while I'm like, "Sweetie, you tried. Thank you." And they'll keep going. They'll be determined. Sometimes they're not exactly hitting the nail on the head.

4050METHING: So what is the best way to make you cum?

LUCKY: Probably eating my pussy, but it takes a special person. There's a few people I know can do it. Unfortunately one of them was my bartender ex. I was basically with him for four years just for his tongue. [Laughs] The sex was good though. He was a big nerd. Don't judge a book by its cover.

4050METHING: What type of guys do you like?

LUCKY: I like boy-next-door or boy-next-door with a body. I have this weird attraction to male exotic dancers. I've dated them a lot. I'd go to this gay club in Chicago and there'd be strippers and a stage and a pole.

4050METHING: And all the strippers in gay bars are straight.

LUCKY: I'd say like 90 percent of them are, but they're trying to crack down on

MISSY MASTERS

INTERVIEW BY JOSE LEYVA

Missy Masters is a 48-year-old divorcee who lives in Las Vegas. She's a mom and describes herself as the sweet-girl-next-door. For the 22 years she was married, that might've been true. But after her divorce, Missy was let out of her cage.

These days, she swings and partakes in

dom/sub play. She has sex two to three times a day. She plays with women and masturbates on her web cam for horny guys. "I love to be watched. It makes it so hot for me." Speaking of which, you should watch the video version of this interview on 40Somethingmag.com. You can tell by her inflections and the way she speaks about

escapades that
Missy is a horny
woman who really

Missy fingering her pussy. So make her

40SOMETHING: Let's rewind. Where are you from? **MISSY:** I'm from Las Vegas.

40SOMETHING: I hope you don't mind me asking, how old are you?

MISSY: You know you're never supposed to ask a woman her age, but I'm 48 going on 49.

4050METHING: Well for us, the older, the better. So you're a baby.

MISSY: A baby! That's the first time in a long time I've heard that.

40SOMETHING: So tell us about yourself. **MISSY:** I'm quirky, fun, crazy. Definitely crazy. Adventurous. Out of control at times. In control other times.

MISSY: I do things on a whim. I'll break out into song. I'll turn around and give you a phrase that came from a movie just off the cuff because that's just what I felt like saying in the moment.

40SOMETHING: What makes you wild? MISSY: I've tested out my dominatrix side. I was like, "I think I like this."

4050METHING: This was before you were camming?

MISSY: Yeah. I'd play a little bit dominatrix and play a little bit sub. And I like them both. I'm a switch.

4050METHING: So before the camming you were already very sexually active? MISSY: No. [Laughs]

40SOMETHING: So how were you before vour sexual revolution?

MISSY: Locked in a cage. And then after my divorce it was like, wow. Here I am. **4050METHING:** So you were married?

MISSY: Yes. For a long time. Twenty-two years. Same position once, maybe twice a week. So I broke out. And I was like god dang, they come in different colors, different shapes, different sizes, they do different things. There's girls! It was out of control.

40SOMETHING: What do you think jump-started your sexual revolution? MISSY: It was when I got turned on to swinging. I met this guy online and he said to me, "Look, I want to take you to a party, and it's a different kind of party. But you're really freaky in the bed so I think you're going to like this." I was like, "What does me being freaky in the bed have to do with a party?" He coerced me into going, and I was nervous. I didn't want people to randomly come up and touch me because I will take someone out. He reassured me no. and when we went it was like Thanksgiving. Whoa! Look at that! Look at that! Can I go talk to her? Can I go talk to him?

40SOMETHING: And you did?

MISSY: Oh, I did. I didn't hesitate. Then 50 Shades of Grey came out and I read that book. And I was like, "What is this dom shit? I gotta check this out." And I hired a dom to teach me to be a sub. And it was hot. Oh my god, it was hot. And then it just went on from there. It was like this rollercoaster ride.

40SOMETHING: What was that like with the dom teaching you to be a sub?

MISSY: I have goosebumps now. It was intense. Sexy. Erotic. It was frustrating and upsetting at times because I like to be in control. So I was really learning to continued on page 85

"No one would be surprised to see me here. They would expect it!"

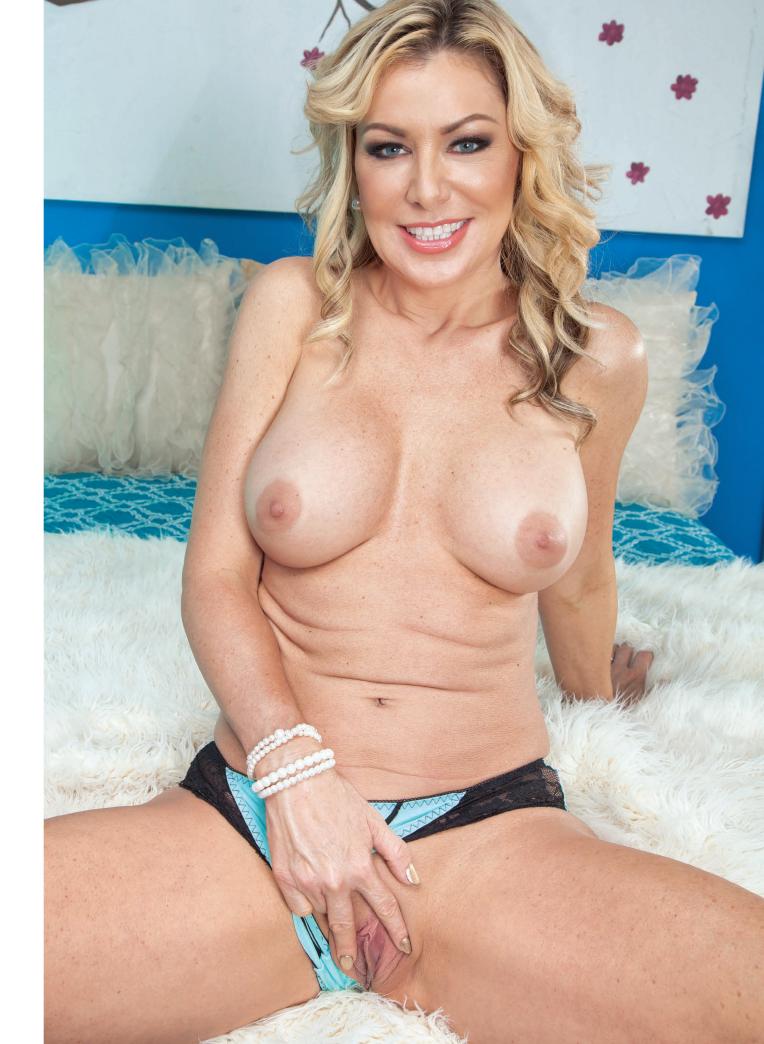

Sasha is one of our most-beloved MILFs. Partially because she is stunning, but also because she's one of the horniest, down-for-anything women that we've ever met. "I've been a porn star, an exotic dancer, a dominatrix and a massage therapist." If there's one thing Sasha knows, it's sex!

We're used to our MILFs taking on all kinds of cocks when they shoot for us. But something we don't see often is a MILF who has sex with teen girls. In the movie The Sex Tutor, Sasha has lots of lezzie sex and shares cocks with 18eighteen girls. That includes girl-girl action, three-ways and two four-ways. She teaches these teen girls how to take cock, and even instructs little Alice on how to take a fuck stick in her ass. Sasha is one of the mostexperienced sluts to learn from. She turns these innocent girls into fullblown sex pros!

Sasha is recently divorced and doesn't have any kids. Her hobbies are yoga and sex. She has sex two times a day and considers herself assertive. (You'll know that's true if you've ever watched any of her scenes.) "I initiate sex all the time. In fact, I beg for it daily. I

have a really high sex drive. Most guys can't even keep up with me. That's why I don't like to have just one partner. I need to have multiple guys to choose from. If one can't fuck that day, then I can just go down the list and find the next one who can."

"I'm not a swinger, but I love to watch. People become swingers to find a group of people who want to have sex as much as they do. A lot of the time it's a couples thing. I don't need to become a swinger or get into the lifestyle because I've never had a problem finding people to have sex with. Some of my regular fucks are swingers, and I might go to a party every now and then. But part of the fun of having public sex is getting caught. There's no danger of that at a swingers party."

sent me your way. I've been cam modeling, but I wanted to try real porn." Before

coming to our studio, Cyndi said it had been a while since she had sex. Specifically, four years! We changed that, giving her two young cocks to play

with-one of which she took in her ass.

yndi

Cyndi is a mom and a grandmother. Before camming, she was a high angle rescue trainer. "I traveled around the world training crews how to rescue others and self rescue from wind towers using mechanical and rope techniques." She's done a lot of interesting things, including managing a medical marijuana dispensary. "Porn is my new adventure. I think it will be very exciting."

Dating hasn't been her cup of tea lately. Cyndi describes herself as a homebody, and she's been happy to fuck herself on cam up until now. "I'm horny a lot. I like to masturbate, especially when someone else is watching me. But masturbating only does so much. Eventually you need the real thing. I haven't been interested in finding anyone or going to bars and picking up guys. Porn seems like a convenient way for me to meet my needs."

be less in control. It was a hell of a an experience. I don't think I can even put it into words.

4050METHING: You have been a dom too, right?

MISSY: Yes. I tried that. That's sexy as hell. Not sure if I like it more with a man or with another woman.

4050METHING: Being a dom to another woman?

MISSY: Yes, as requested one time at a swingers party, which was so hot. It was a request from her husband because he could see that was my demeanor. I kind of took her by the neck and brought her over to the bed, threw her down and told her to do different things. And I did different things to her. She didn't want to leave. He had to drag her out.

40SOMETHING: What did the husband do while you were doing all of this?

MISSY: Well, he was jacking off. 'Cause it was me and my guy that I was there with, and we were with her. And we were twisting her around and putting her this way and making her suck his dick. I would do it again.

40SOMETHING: So from there you started to cam?

MISSY: I was camming a little bit then, just learning how to do it. It was awkward and uncomfortable at first. I didn't really know where my genre was. As I went further into things I figured out where I was comfortable and what I liked to do. And here I am.

40SOMETHING: And you just had sex oncamera. How did that go?

MISSY: It was just as hot as anything. I don't fake or act anything so I was into it. He was *good*.

40SOMETHING: He made you cum, right?

MISSY: Oh, four or five times.

40SOMETHING: What did he do to make you cum?

MISSY: I'm already flashing back. He stuck his face in there, dove in. Started licking my ass. Sticking his tongue deep in my pussy, sucking out all my pussy juice, rubbing his lips all over it. It was so fucking hot. Then he had his fingers in there, just rubbing that juice box. I came twice just like that. And I like the aggression. He grabbed me by the throat and pinned me down. I can't wait to do it again.

them and say if you're not gay at least don't be obvious about it. But I used to go in there and look at my favorite one and be like, "Let's go." They never say no. I'd walk in there single and walk out with a new boyfriend. [Laughs]

40SOMETHING: Well if they're straight, it makes sense that they'd want to go home with a beautiful woman.

LUCKY: Right. Well ex-fiance number two was a male exotic dancer. I met him at this really seedy gay bar in Chicago.

4050METHING: Do you have a fiancé right now?

LUCKY: No, surprisingly. I broke up with number five about two years ago. So I'm single. Happily single.

40SOMETHING: You mentioned going to swingers clubs. Are you in the lifestyle? **LUCKY:** Yes and no. I could go there, but does it turn me on personally? Not really. I did all that stuff just to make my man happy, and that was fiancé number four. If I'm with a guy and I really enjoy his company, doing things to make him happy makes me happy. So if it's me with another guy or girl, it's for him. Same thing with fetish things. I can play

4050METHING: So what is it that turns you on personally?

LUCKY: I'm from the Midwest. We're vanilla out there. So I just like good old fashioned hardcore American nooky. Good stuff though. So it's vanilla but it's not plain vanilla. It's like a nice French vanilla. When it comes to all that other stuff that's way out there, I could do it. But I'm fine with the simple stuff.

4050METHING: Well, it's been a pleasure talking to you, Lucky. Is there anything else you would like people to know about you?

LUCKY: I think we covered the basics. But let's see. I used to be a professional musical theatre actress. I used to be an NBA cheerleader. I was the first woman to sing in the Chicago Gay Men's Chorus. Now there's like eight women. I was the pioneer.

4050METHING: What's the future have in store for you?

LUCKY: I have no idea. I don't even know what's going on tomorrow. I'm going to keep doing what I'm doing and enjoying it. Enjoying life, traveling, shooting, hanging out with my friends and whatever else comes my way.

"What makes me feel sexy? Kneeling at my man's feet and worshipping his cock."

For Alby, the best thing about being a hot MILF is that she gets her pick of the litter. She's married and a swinger, which means there's always a healthy supply of cocks for her to choose from. Here, she gets two cocks—a white one and a black one. They're both much

younger than her, just the way Alby likes it. She gets right to the action, undoing their pants and passionately sucking their cocks like the giver she is. "I'm very passive. I love to please. I love to suck cock and get covered in cum."

We asked Alby what she does to make her man happy, and she said, "I do everything I can for him at all times and do whatever he asks of me, no matter what or where. He has trained me well, and I am rewarded by him fulfilling all of my desires." Like, for example,

allowing her to come to our studio and get DP'd...while he watches, by the way. This isn't really a cuckold scene because we never see or hear Alby's husband, but he was there, sitting only a few feet away. Maybe this is the secret to wedded bliss.

Alby loves hearing from guys how tight and wet her pussy is. She says the worst thing she's ever been told is that her butt is too big. We whole-heartedly disagree. Her butt is just the right size, and it looks amazing as it bounces while she gets stuffed. And even if her

butt is on the bigger side (which, we repeat, is a good thing), her asshole is definitely little. The studs in this scene loved feeling both of her holes, which are tight but deep. "I can stretch to take a big cock, but I always shrink back extra tight," she said.

"I am always dripping wet and ready to be used." By the end of this scene, Alby was dripping, alright. Dripping with cum off her face. She sucks the last bits of jizz out of each stud's cock so that she doesn't waste one drop. "I fantasize about being a sex toy and being fucked and whored out." Fantasy fufilled.
